Welcome to the Center for Consumer Recovery (CCR)!

The Center for Consumer Recovery is a non-profit organization focused on helping everyday Americans recover from financial hardship. Our mission is to remove the hurdles in your life as well as give you the financial tools to succeed as you move forward. We understand bad things happen to good people; we just want to help you get back on your feet financially.

Hillcrest First Bank and Trust has donated your account to CCR.

Your account, along with the accounts of thousands of others, help us build a self-sustaining philanthropy. Our goal is to improve the quality of life for our Members and ensure a more stable future for themselves and their families.

We're here to help

Currently, much of our work is accomplished through firms we contract with who will work with you to improve your credit score, negotiate on your behalf to reduce your existing debt and help you find good financial products and services.

Eventually, as we grow, more and more of our services will be performed by our own CCR employees.

In the near term, you will be contacted by two of our contractors: CFS2 Inc. and Financial Samaritan, Inc. Each company will offer you their services FREE of charge.
